Notes:

* Existing Member Retention LFY - the percentage of existing members at the beginning of the previous Rotary year who remained members at the end of that Rotary year which includes readmitted members.

** Existing Member Retention YTD - the percentage of existing members at the beginning of the current Rotary year who remain members as the end of the current Rotary year which includes readmitted members. Rates may be inflated because active membership counts are typically adjusted only twice a year in accordance with the semi-annual club invoicing schedule in January and July.
